1. **Welcome and introductions**

2. **AYP/UPASS**: The 2008/2009 results were shared with the council. The school received a "YES" for AYP. Mrs. Kline shared the changes in math assessments, which occurred due to state core updates.

3. **School Improvement Process**

- Mission/Beliefs/DRSLs: Mrs. Kline shared our current documents with the council and explained that these guide the school improvement process.
- CSIP Action Plan Review: Mrs. Kline shared our current CSIP. Council members met in small groups to review and discuss the plan. The council was then given the opportunity to comment on their group discussions.
- Trustlands Review: Mrs. Kline shared that Trustland monies help fund CSIP goals and technology needs.
- Roundtable Process: Mrs. Kline shared that a new CSIP is being developed this year and JSD is providing a forum to facilitate it's development. Several members of the council are serving on this team.

4. **Student-Led Conferences**: We will use the same format as past years adding a new scheduling tool that has been made available to us by JSD.

5. **Wellness Policy**: Mr. McLeod reviewed JSD policy AA446 with the council. Many adjustments have been made in our cafeteria, including vending machine product choices. Soda machines have been replaced with water and flavored water machines.

6. **Safe Schools/Risk Management**: Mr. McLeod discussed H1N1 measures, including the placement of hand sanitizers in the cafeteria and other locations.

7. **Rachel's Challenge Report**: Mr. Kertesz shared with the council the recent assemblies and parent meeting success. Several council members commented on the positive affects the program has on student behavior.

8. **Collaboration Time**: Mrs. Kline shared how much teachers appreciate collaboration time. Mrs. Kline thanked the council for being supportive of late start Friday. It was suggested that highlights of teacher's collaborative efforts be shared in the school's newsletter to inform our community of how collaboration time is being utilized.
